

# Elder Nomination Form

Thank you for taking the time to participate in the elder nomination process. The Church at Schilling Farms is in the midst of a very important and exciting time, and we look forward to the spiritual leadership and fresh perspective that these new elders will bring to the church. We strongly encourage all members to participate in this process.

Please begin the process with thoughtful prayer and by reading Paul's description of elders in 1 Timothy 3:1-7 and Titus 1:5-9. As you consider each candidate, please be mindful of his spiritual maturity, how he demonstrates the love of Christ, whether the nominee will be a good fit for the eldership, and whether serving in this capacity will be in the best interest of the nominee.

Use the space below and on the back of this sheet to list your nominees. Additional space is provided should you like to explain why you believe each nominee will be a good candidate for the eldership. There is no limit to the number of men a member may nominate.

Anonymous forms will not be considered.
